

2008 Coach Evaluation

Coach evaluations give the RYFSA the ability to make sure we have selected the correct coach for each team. We use this as a tool to keep the best coaches on the field. Please take this seriously and complete it timely. It is important that you complete this form promptly and return directly to the RYFSA. Coaches will be judged upon how many returns they receive. This record will be kept on file for future positions. Anything stated in this evaluation will become public knowledge.
